"Shipwrecked Amos & Animals"

Two-Reel Century Comedy
Starring HARRY SWEET

HARRY is the "dumb-bell" steward of the good ship *Sadness*. While at sea the *S. S. Sadness* catches fire—and very shortly after begins sinking. The survivors find their ways to an isolated Sandwich Island. Sweet arrives in a telephone booth.

On the island the first thing Sweet looks around for is a South Sea siren to vamp him, and meanwhile has the time of his dumb life dodging and hiding from lions. The English dude, who was also shipwrecked, and Harry nearly have a fight to the death when the monkey mischief-maker starts throwing coconuts, and each think the other is doing the throwing.

Harry eventually wins the queen of the isle, fater he whips a ferocious lioness, and he settles down in that wild Ham Sandwich Island.
